

Voice Activated Suspension Notification Program

Lakehurst continuously strives to notify a customer of past due balances prior to suspension of water service. In our ongoing efforts to provide timely notice of service interruptions, the district will continue to mail suspension notices on the 5th of each month. If your account is delinquent, a voice notification will be sent the Monday prior to turn off. This service is only available to customers who have provided us with a current telephone number. It is the responsibility of each customer to notify us of any changes. If you would like to take advantage of this service complete the attached form and include with payment or go to our website at www.lakehurstwater.org/forms and complete online.

In an emergency call the District's main office number 24 hours a day at 303-985-7895. Calls received outside normal working hours will be answered by the District's answering service and the information will be directed to on call service personnel for assistance.

Water and Sewer Rehabilitation Projects Slated for 2014

Lakehurst's Board of Directors included several water and sewer capital/rehabilitation projects in the 2014 budget.

On the water side, sometime this spring, the District will be replacing 1,300 feet of six-inch asbestos cement pipe on S. Zang Street, between W. Quincy Ave. and S. Stanford Ave.

The second water project will replace ten Air-Vac assemblies, used to release trapped air from water mains, at various locations throughout the district.

Sewer projects for 2014 consist of several sewer point repairs at various locations that are small but have the potential of becoming a larger problem.

Lakehurst always strives to take the most proactive, feasible and financially responsible approach with all its' capital and rehabilitation projects.

2014 Residential Rebate Program

If you purchased a qualifying appliance the end of 2013 make sure you submit a 2013 rebate form.

Lakehurst Water is pleased to inform our customers of

Continued on next page...

available rebates for residential customers interested in high efficiency appliances and irrigation system enhancers.

High-efficiency toilet (\$75 rebate)

- Only WaterSense-labeled toilets that use 1.28 gallons per flush or less are eligible.
- Limit *three* toilet rebates per residence per a 10-year period. Please call 303-628-6343 if you are unsure of previous rebates.
- Low-flow toilets (1.6 gallons per flush) *do not* qualify for rebate.

Rotary/high-efficiency irrigation nozzles (\$2 rebate per nozzle)

- Rotary nozzle information.
- Eligible models include Hunter MP[®], Rain Bird[®], Toro[®] Precision[™] and K-Rain rotary nozzles.
- Minimum purchase is 10, maximum is 100.
- *One-time* rebate per property.

Smart irrigation controller (\$100 rebate)

- Only WaterSense certified smart irrigation controllers are eligible for a Denver Water rebate. WaterSense products are backed by independent third-party tests and certification, and meet the Environmental Protection Agency's specifications for water efficiency and performance. With WaterSense's consumer-friendly labeling system, you can easily identify WaterSense-certified products that will perform well and are eligible for the rebate.
- Limit one per residence.
- Prices vary depending on the model, brand and vendor.
- Equipment cost and labor must be separated on receipt.
- During irrigation season, be aware that smart controllers must not operate between 10 a.m. and 6 p.m. In rare conditions, the controllers may operate more than three days a week.

Customers should check details before purchasing. Visit www.denverwater.org/rebates for applications and a list of eligible products.

Denver Water's rebate program is available as funding permits. It is subject to change, cancellation, or discontinuation at any time.

Voice Activation Form
